- Cost: \$1,000\*

\*Scholarships Available

## Scholarship Applicants

Lowcountry Literacy Program is offering multiple scholarships for current public school teachers. Scholarship applicants will be required to complete a brief application, and when available, grants will be prioritized for school communities where LLP has not yet partnered, helping us expand access and impact across the region.

**For those who pay for training, a portion of the fees help fund scholarships for public school teachers, helping remove financial barriers to participation.**
